

# Creating a Virtual Business Card

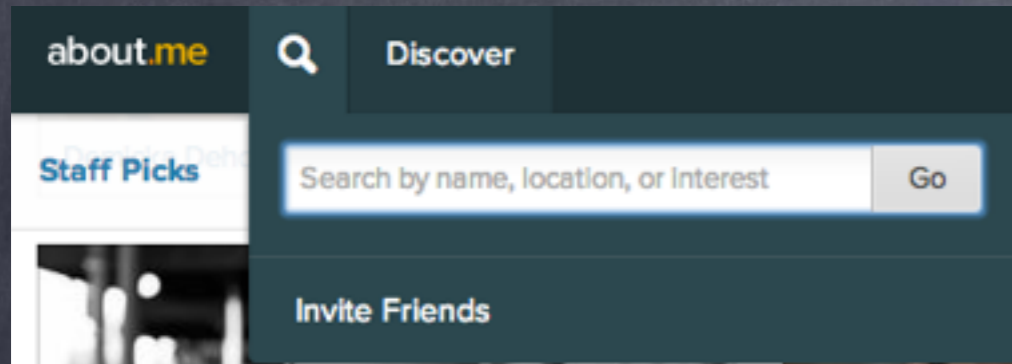

# About.me

<http://about.me/nicoleflothe>

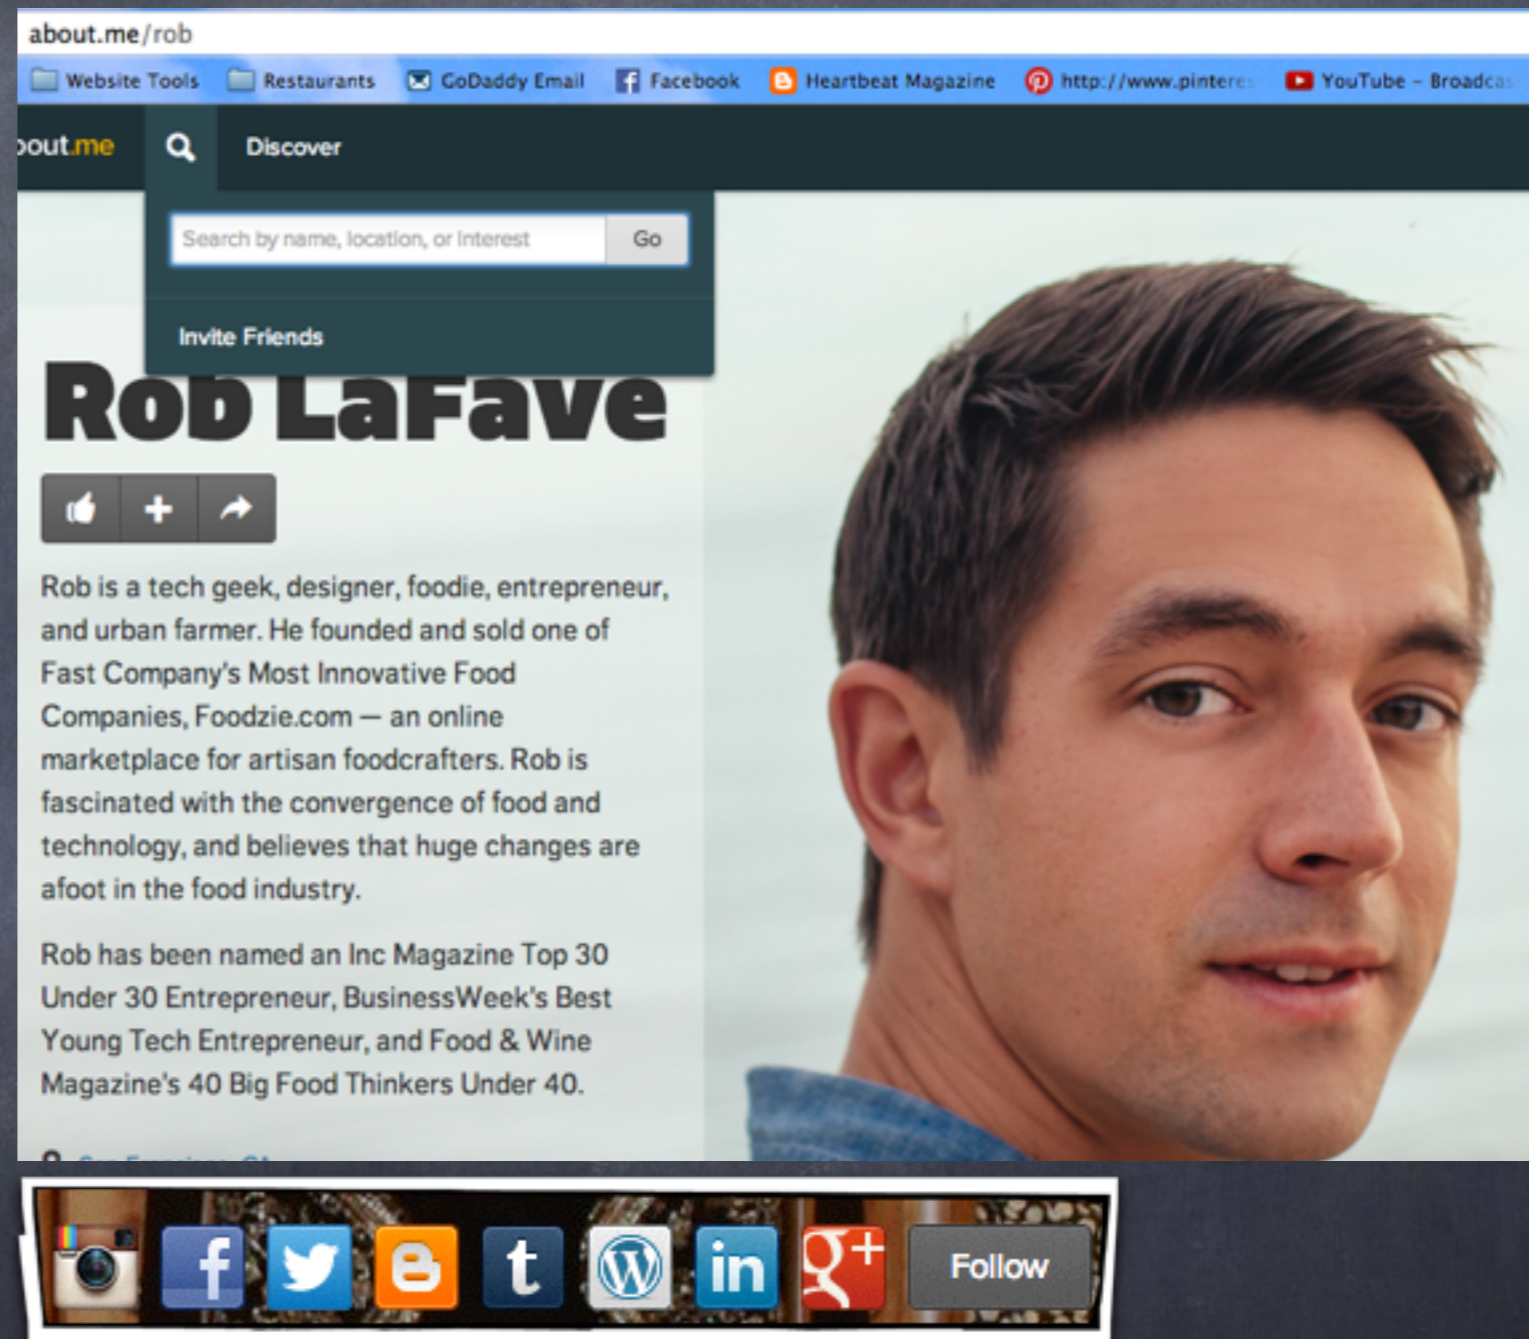

<http://en.wikipedia.org/wiki/About.me>

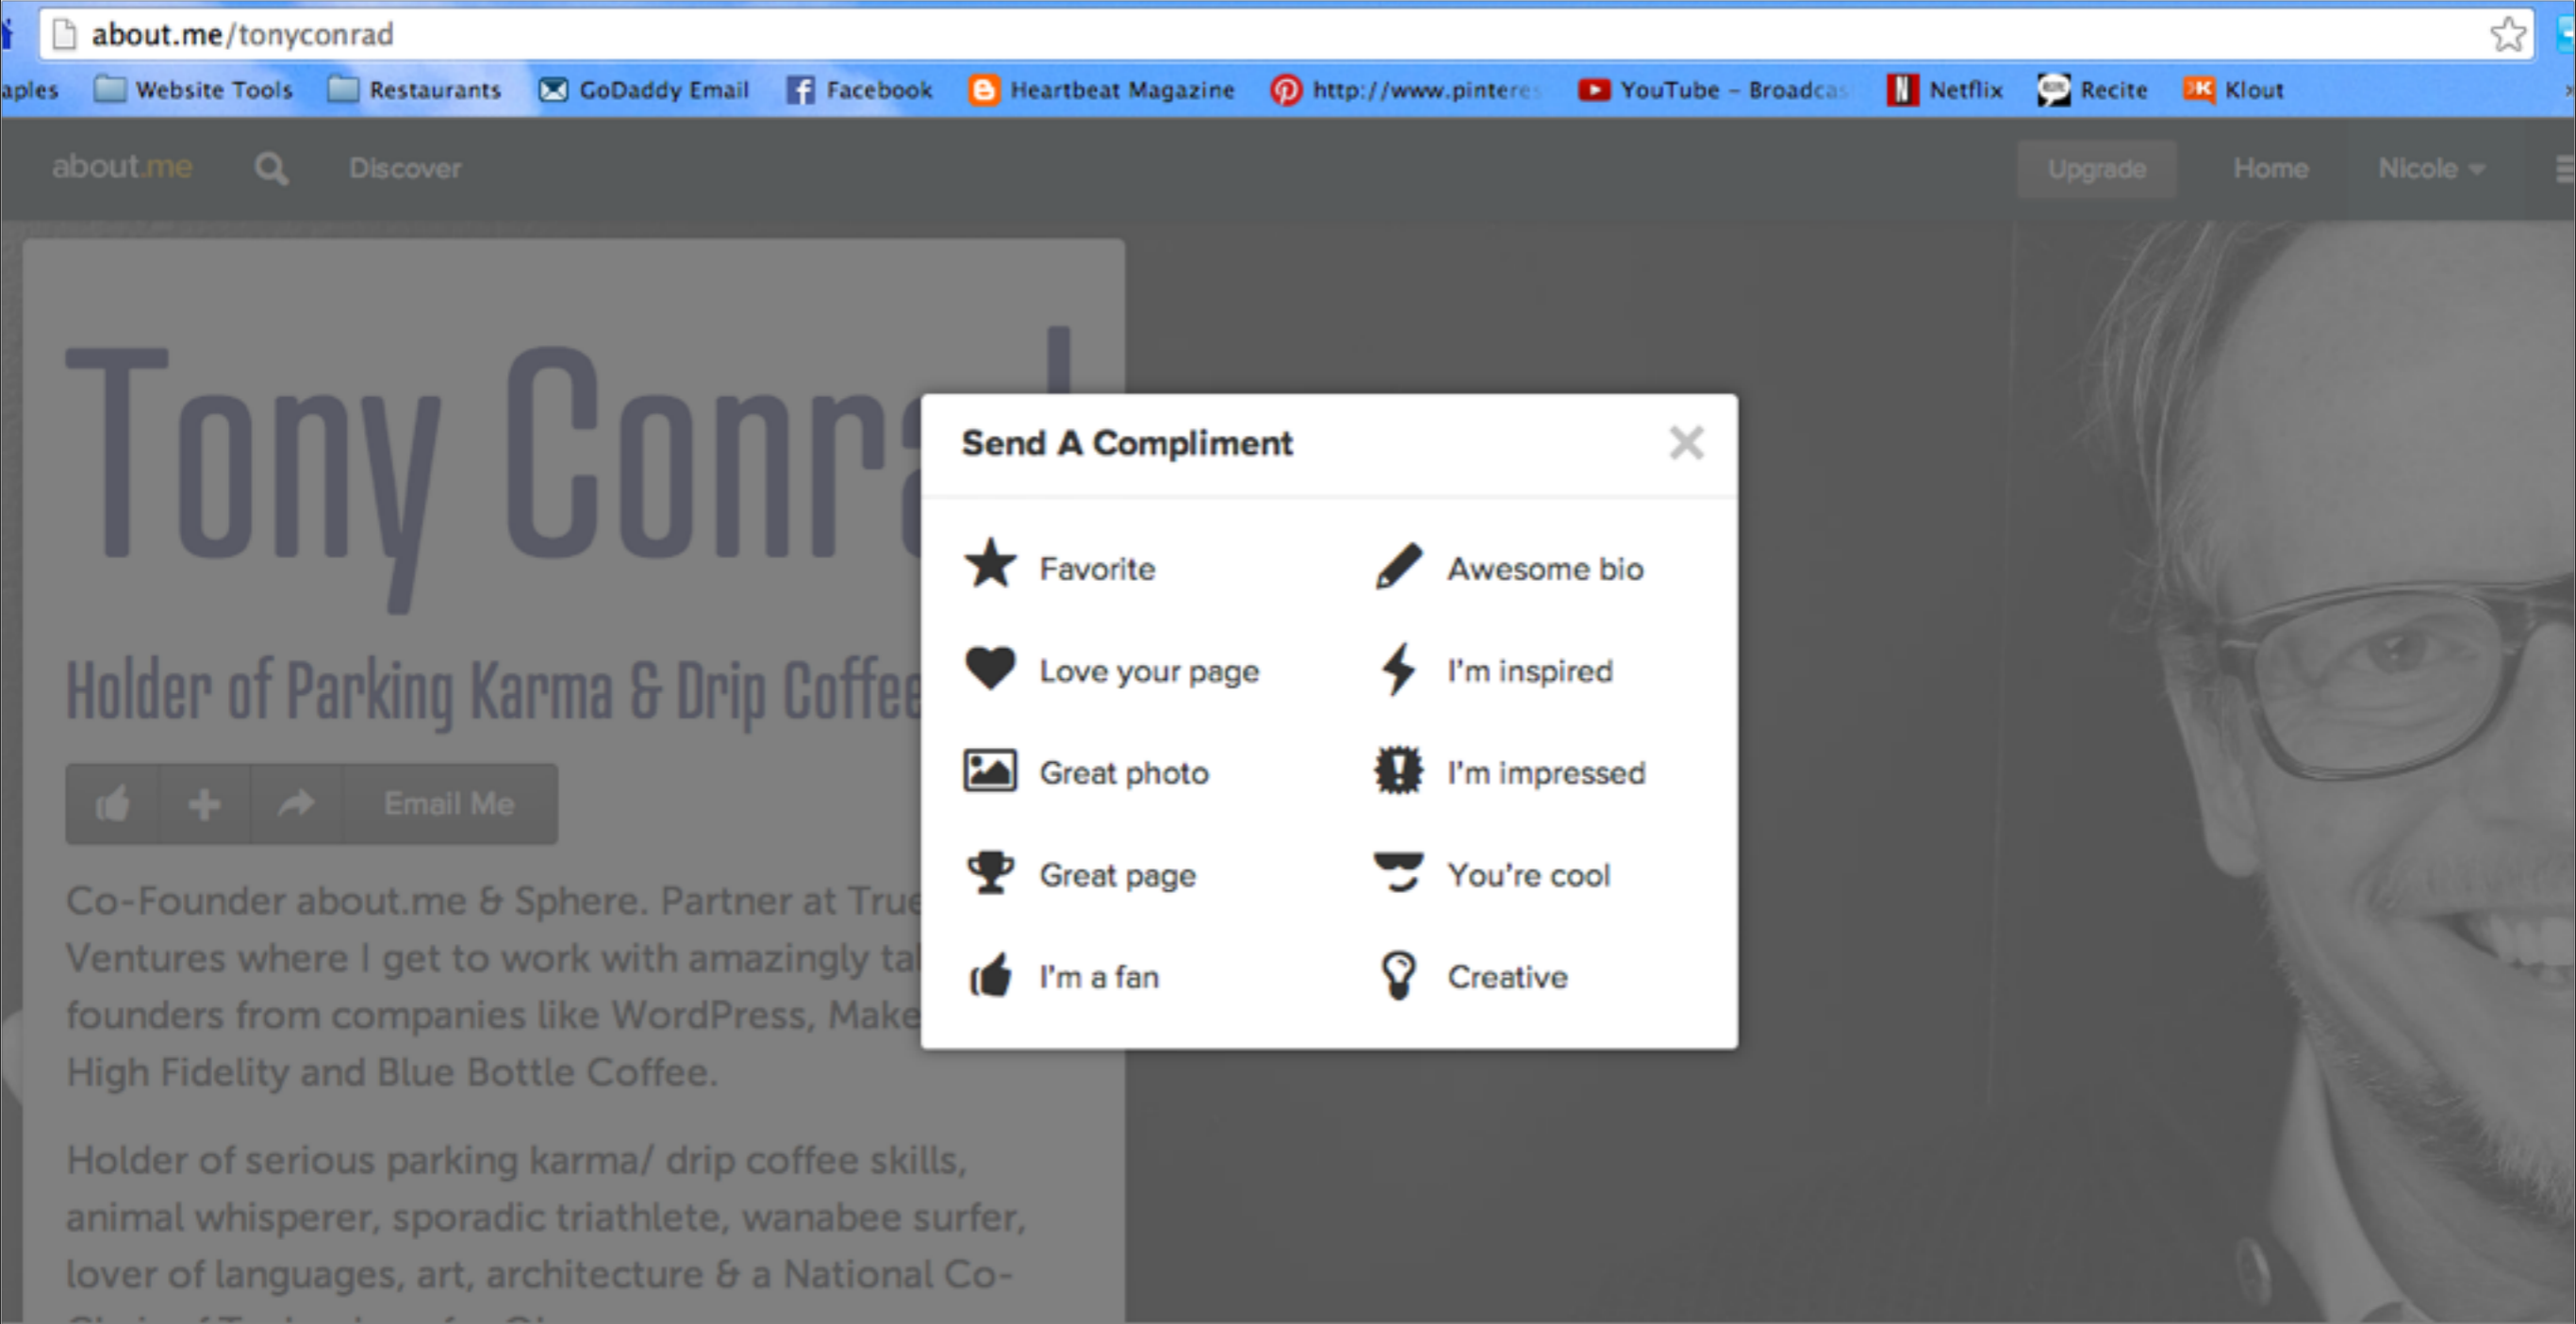

# Why create an About.me?

- Easily list your Bio, Business, and Social Media Sites all in one location.
- Discover other Industry leaders and Business Associates to collaborate with on your shared interests.
- Send a Quick Compliment

# The Power of a Compliment

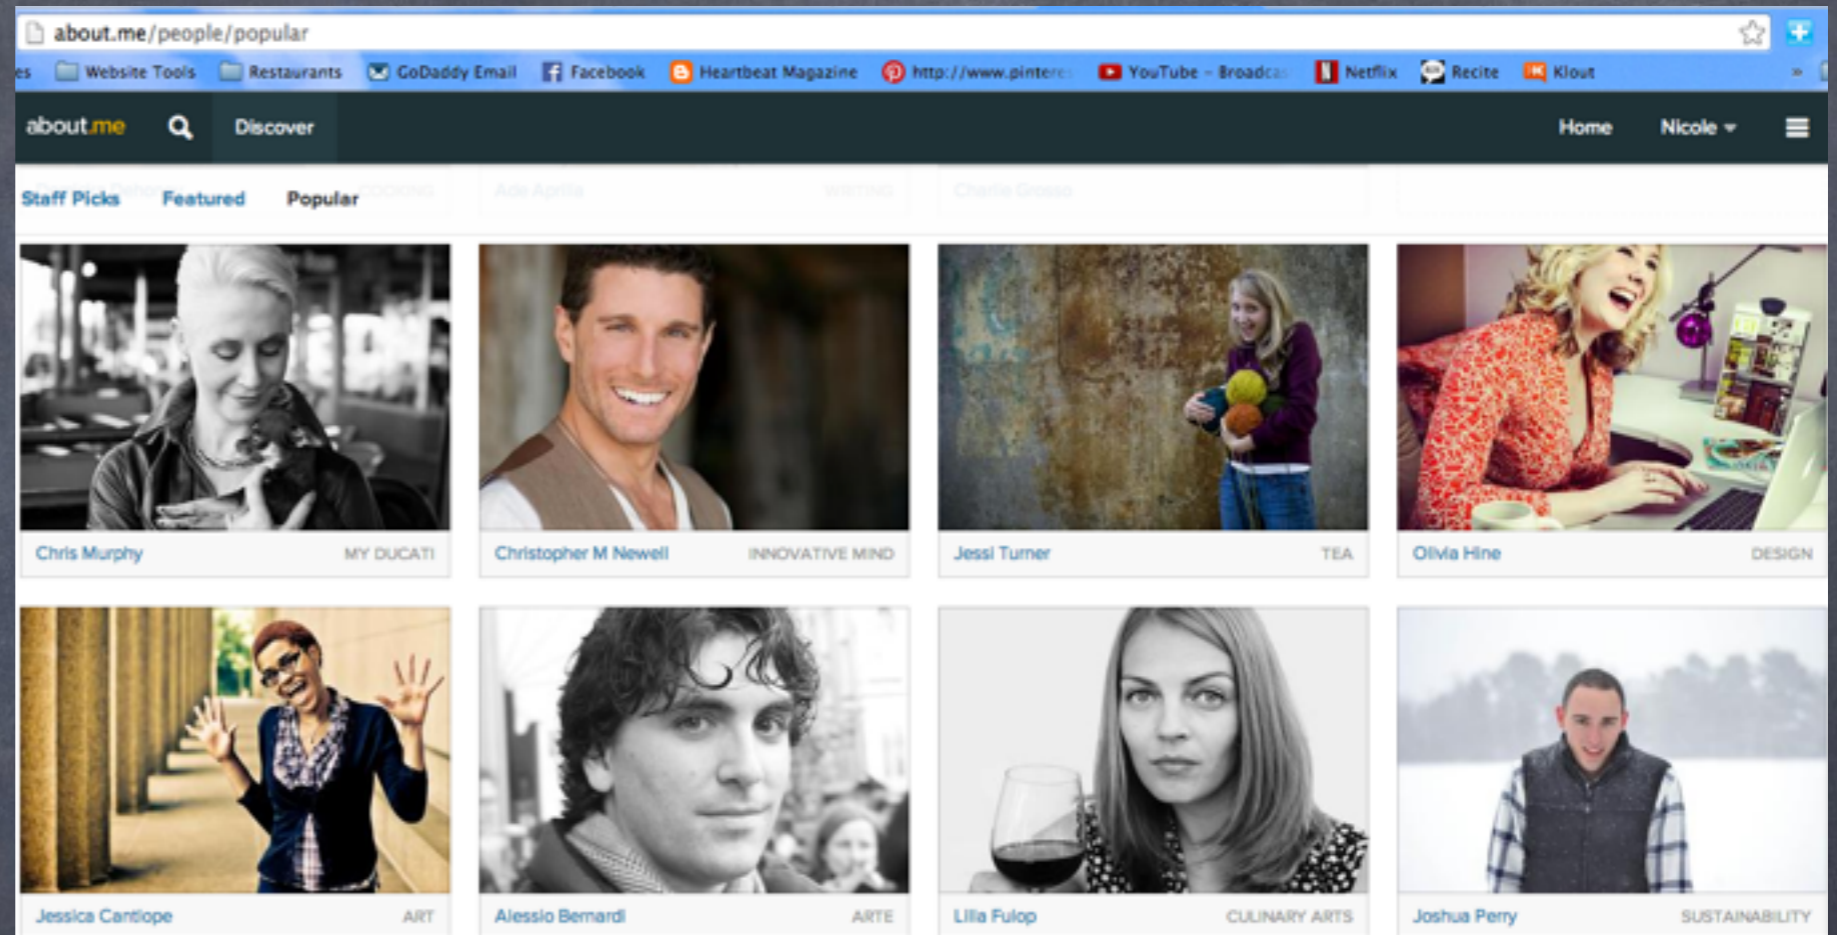

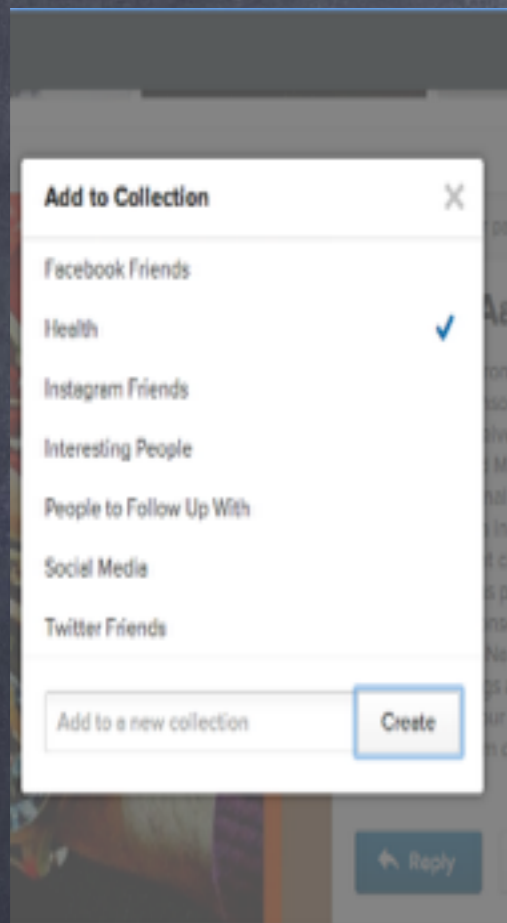

1. Send a Compliment to the Creator of About.me

2

2. Watch a Video about the Creator of About.me

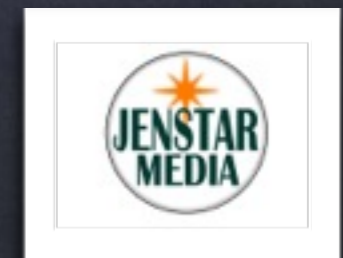

# Create Collections

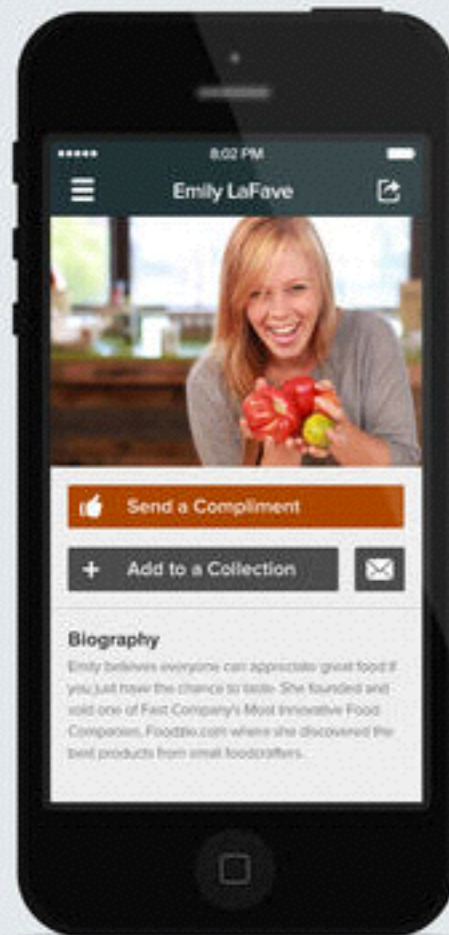

- When you connect your account [about.me](http://about.me) provides Collections initially for you. Instagram Friends, Twitter Friends, Facebook Friends. You can create custom Collections like Social Media, Health, Outdoors, etc.

- Visit the Staff Picks, Featured, and Popular page for great examples. [about.me/people/popular](http://about.me/people/popular)

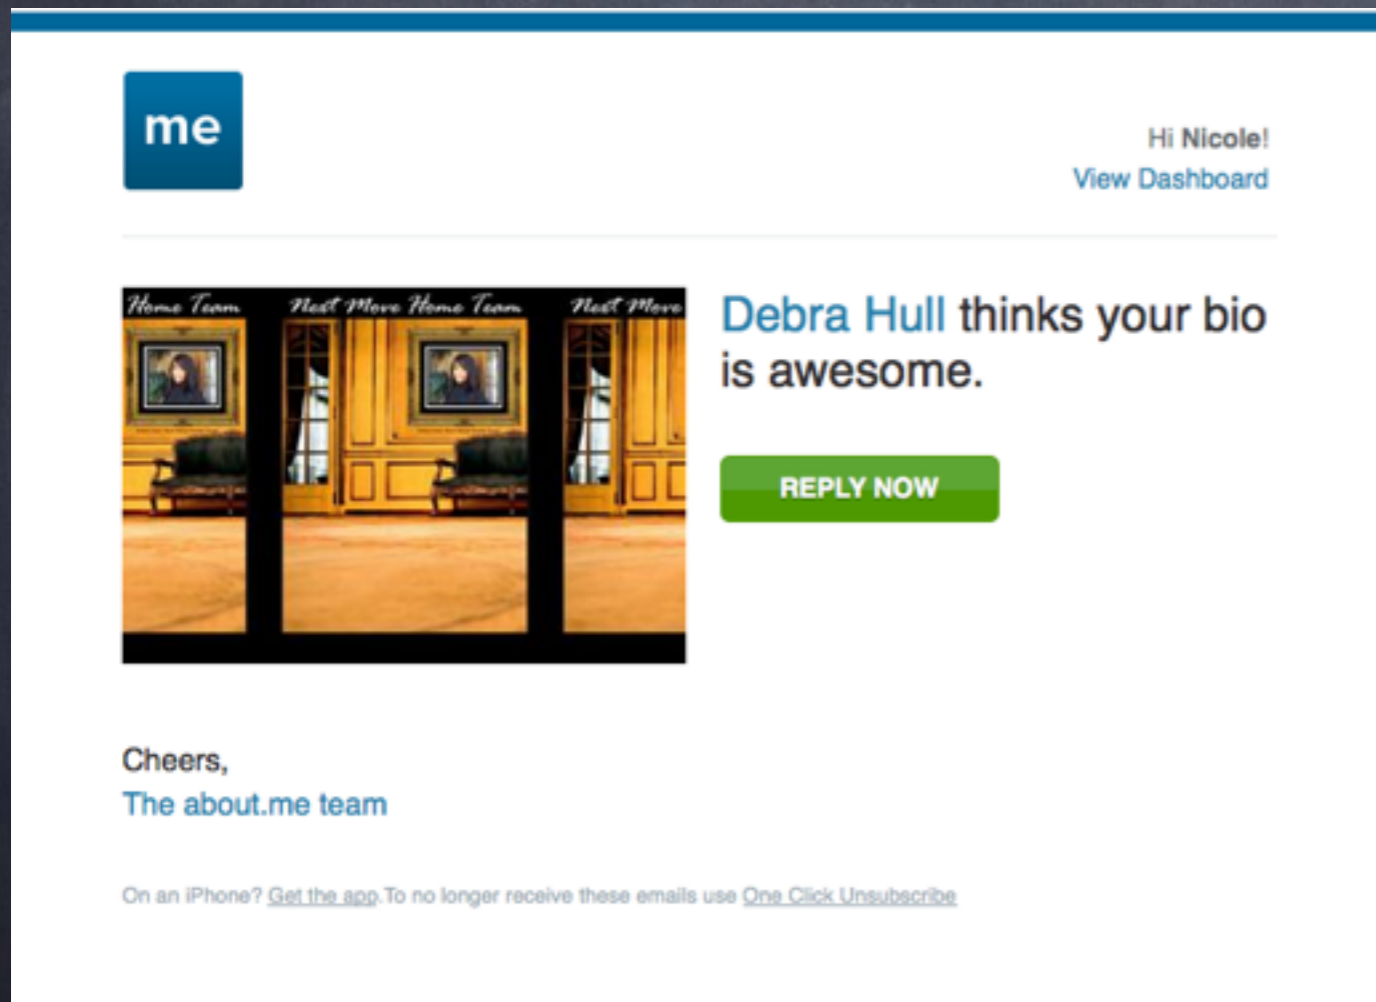

# Take about.me to Go on your Mobile Device

Create your awesome profile

- You can get notifications when someone sends you a compliment on your business page.
- You can search for people that share your interest or shares your location and add them to a collection.
- You can connect to new contacts via their given Social media sites and begin to form a business relationship.

# Reply Now and Share Your Page

The screenshot shows an email notification from 'me'. At the top left is the 'me' logo. On the right, it says 'Hi Nicole!' and 'View Dashboard'. The main content features a photo of a room with a fireplace and two armchairs, with the text 'Debra Hull thinks your bio is awesome.' and a green 'REPLY NOW' button. Below the photo, it says 'Cheers, The about.me team'. At the bottom, there is a small link: 'On an iPhone? Get the app. To no longer receive these emails use One Click Unsubscribe'.
